

Ag Equipment Intelligence[®]

CUSTOM RESEARCH REPORT

**Cover Crop Adoption & Outlook
by High-Production U.S. Farmers:
Applications, Economics & Trends**

August 2022

***A special report from Ag Equipment Intelligence editors featuring
licensed primary research from No-Till Farmer & Cover Crop Strategies***

Table of Contents

EXECUTIVE SUMMARY 4

COVER CROPS: AN INTRODUCTION..... 5

What are Cover Crops? 5
 Cover Cropping Experience on the Rise..... 5
 Understanding the Basics of Cover Crops & Related Terminology 6

Tables & Charts

Experience with Cover Crops 5
 Total Acres of Cover Crops Seeded — 2021 6

DEMOGRAPHICS ON COVER CROPS USE..... 7

Increase in Farm Operations Planting Cover Crops..... 7
 Total Acreage of Cover Crops by State..... 7
 No-Tillers’ Usage of Cover Crops 10
 Cover Crop Adoption Levels Vary within States..... 14

Tables & Charts

Farm Operations with Cover Crops — 2017 7
 Cover Crop Acres Planted by State — 2017..... 7
 Planted Cover Crop Acres, Ranked by State — 2017 8
 Farm Operations Using Cover Crops, Ranked by State — 2017..... 9
 Percent of Available U.S. Cropland Planted to Cover Crops — 2017..... 10
 Percent of Total U.S. Cropland Planted to Cover Crops— 2017..... 10
 No-Till Farmers Seeding Cover Crops — 2012-21 10
 Available Cropland Planted to Cover Crops, Broken Down by States — 2017 11-13
 Cover Crop Acres Planted by County — 2017..... 14

THE ECONOMICS OF COVER CROPS..... 15

How Cover Crops Deliver Return on Investment 15
 Cover Crops Boost Nutrient Returns 15
 Financial Impact: Weed Control & Grazing 16
 Cover Crop Financial Incentives..... 16
 Financial Impact: Soil Compaction, Nutrients, Moisture Control, Input Reductions..... 17
 Estimated Cover Crop Seed Expenses 18
 New Cover Crop Offers Profitability Potential in the South 18
 Estimated Cover Crop Termination & Fertilizer Application Expenses..... 19
 Higher Soil Organic Matter Delivers Return on Investment..... 19
 Estimated Nitrogen Credits & Herbicide/Pesticide Savings..... 20
 Grazing Cover Crops Proves to be Profitable 20

Tables & Charts

Nutrient Return from Cereal Rye..... 15
 Nutrient Return from Legume Cocktails 15
 Spending Trends on Conservation Tillage & Cover Crops in EQIP — 2005-18 16
 Farmers Receiving Incentive Payments to Plant Cover Crops — 2021..... 16
 Cover Crop Irrigation Costs (Per Acre) — 2021 17
 Cover Crop Seed Cost (Per Acre) — 2021 17
 Farmers Planning to Participate in Carbon Credit Plans in 2022 18
 Cover Crop Termination Costs (Per Acre) — 2021..... 19
 Cover Crop Fertilizer Application Costs (Per Acre) — 2021..... 19
 Water Holding Capacity Value of Extra 1% Soil Organic Matter (SOM) 19
 Herbicide/Pesticide Savings (Per Acre) — 2021 20
 Nitrogen Credits Savings (Per Acre)— 2021 20

THE BENEFITS OF COVER CROPS 21
 Cover Crop Benefits Described, Ranked by Farmers 21
 How Cover Crops Impact Yields 22
 Cover Crop Benefits: Controlling Marestalk by Planting Green 22
Tables & Charts
 Length of Time to See Benefits from Cover Crops 21
 Mean Corn Yield with Cover Crops 21
 Mean Soybean Yield with Cover Crops 22
 Mean Wheat Yield with Cover Crops 22

COVER CROP CHALLENGES 23
 Biggest Challenges, Unintended Consequences 23
 Issues with Seed Suppliers 24
 Major Companies Investing in Regenerative Agriculture Movement 24
Tables & Charts
 Top Cover Crop Management Challenges — 2019-20 23
 Problems with Cover Crop Seed Ordered from Suppliers — 2019-21 24

OVERVIEW OF TIMING & SEEDING TECHNIQUES 25
 When Farmers are Seeding Cover Crops & Regional Breakdown — 2020-21 25
 Cover Crop Application Methods 26
 Equipment Used to Seed Cover Crops 27
 Regional Breakdown of Cover Crop Equipment Choices 28
 Equipment Used to Interseed 29
 Perspectives from Equipment Makers 29
Tables & Charts
 Percentage of Farm Planted to Cover Crops on Annual Basis — 2020 25
 When Cover Crops Were Seeded — 2021 25
 Breakdown of Cover Crop Application Methods 26
 Equipment Used to Seed Cover Crops by No-Tillers — 2016-21 27
 Custom Work Hired for Seeding Covers (Percentage of Acres) — 2021 27
 Custom Work Hired for Terminating Covers (Percentage of Acres) — 2021 27
 Equipment Used to Seed & Manage Cover Crops — 2019-21 28
 Equipment Used to Seed & Manage Cover Crops (Regional Breakdown) — 2021 28
 Equipment Used to Interseed Cover Crops — 2019-21 29

OVERVIEW OF TERMINATION TECHNIQUES 30
 Cover Crop Termination Methods for Various Crops, Regional Trends 30
 Herbicides Used for Termination 31
 Planting Green Strategies & Trends 32
Tables & Charts
 Cover Crop Termination Methods for Soybeans, Corn & Cotton 30
 Cover Crop Termination Summary of Options 31
 Herbicides Used for Termination — 2021 32
 Cover Croppers Planting Green (Regional Breakdown) — 2019-21 32

OVERVIEW OF COVER CROP SPECIES 33
 Breaking Down the 4 Types of Cover Crops 33
 Most Popular Species Among No-Tillers & Cover Croppers 33
 Multispecies Cover Crop Mixes 36
 Organic Farming Trends in the U.S. 37
Tables & Charts
 Average Root Structures of Common Cover Crops 34
 Cover Crop Species Comparison 35
 Cover Crops Seeded by No-Tillers — 2012-21 36
 Type of Cover Crops Planted in Fall Before Cash Crops 37
 No-Tillers Seeding Multi-Species Cover Crop Mixes — 2015-21 37
 Acres of Organic Production — 2019-21 37

CENSUS OF COVER CROP EQUIPMENT 38

ADDITIONAL REFERENCE TABLES & CHARTS 40
 Cash Crops Planted Into Living Covers, Termination Methods — 2021 40
 Cover Crop Grazing Income (Per Acre), Top 5 Sources for Cover Crop Advice 40
 Cover Crop Grazing Practices, Top 10 Sources for Cover Crop Seed 41
 Cover Crop, No-Till Adoption Trends in 12 Midwestern States — 2007-15 42
 Cover Crops Planted After Soy/Corn & Conservation Tillage Acres (Corn Belt) 43
 Statewide Acres of Total Covers Planted vs. Conservation Tillage Practices 43
 Customer Satisfaction with Equipment Dealer’s Knowledge & Availability 44
 Customer Satisfaction with Equipment Dealer’s Cover Crop Resources 45
